2 Salim Way, Clyde North

Spacious, Accessible Living in Clyde North

Each tenant will have:

This bright and beautifully designed home in Salim Way is ready to welcome three new housemates. With three spacious bedrooms, it's the kind of place that makes it easy to feel at home.

The house has been purpose-built for people with high physical support needs. There's a fully accessible kitchen with loads of storage and a double dish drawer, an open-plan living and dining area for shared meals or quiet evenings, and a covered outdoor space that's perfect for a cuppa in the sun. The garden paths are smooth and accessible, and every part of the home has been designed with comfort and independence in mind.

Each tenant has their own space, and there's also a separate room for overnight support staff, so help is always close if you need it.

Smart home features, solar panels and a two-hour power backup system offer peace of mind, and the house is ready for assistive tech and hoists if required.

To make the move easier, Guardian Living is offering one month rent-free, plus a TV, fridge, washer and dryer for each new tenant. There's also support available to help with furniture and moving costs.
